CPD

Continuous Professional Development

About CPD

A range of opportunities identified for the further advancements of NWU academics and professional staff to acquire knowledge, skills and competence and gain confidence in their professional roles.

[Learn More](#) >

CPD

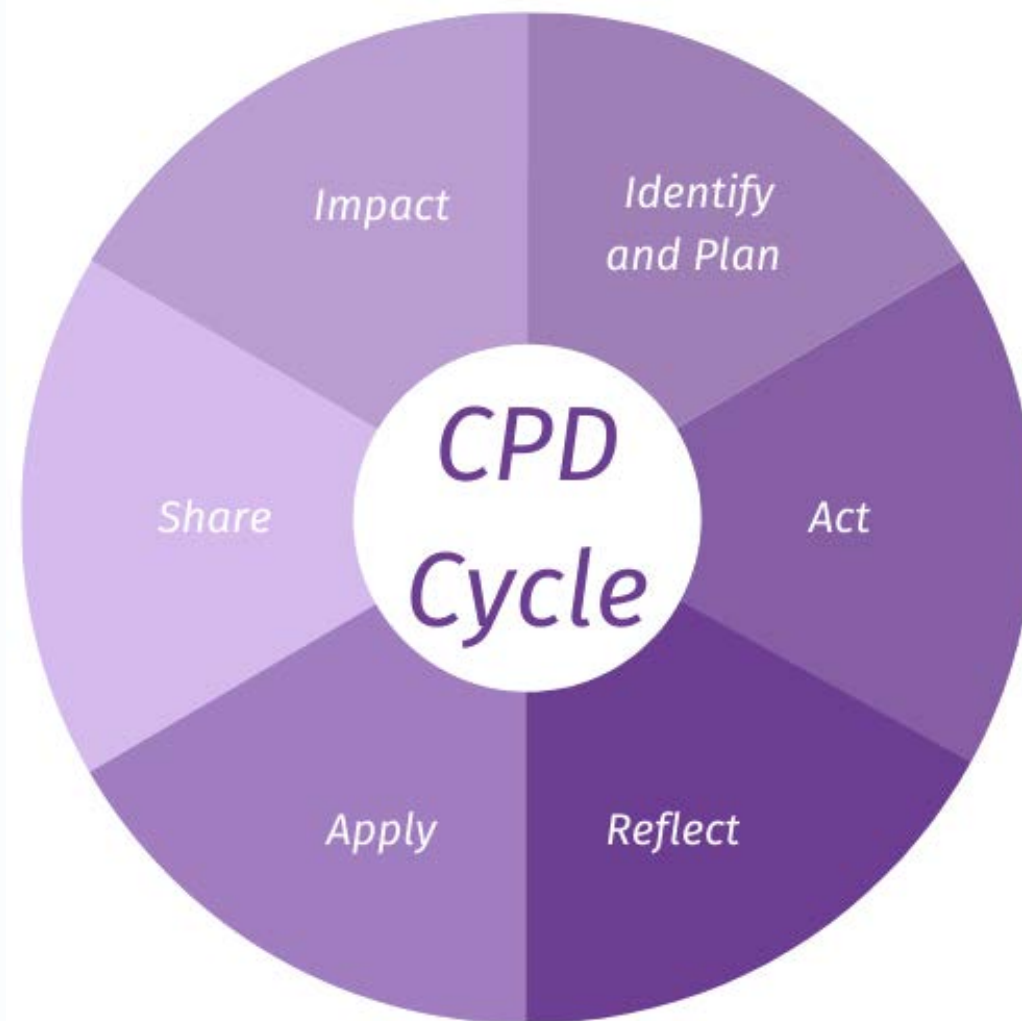

— Staff development opportunities

— Enhancing teaching skills

— Student success, Retention and Pass rate

CPD Main Themes

Identifying, sourcing, planning, developing, coordinating, presenting and marketing of the provision of CPD opportunities inclusive of the following themes:

Provision of skills-based knowledge practices;

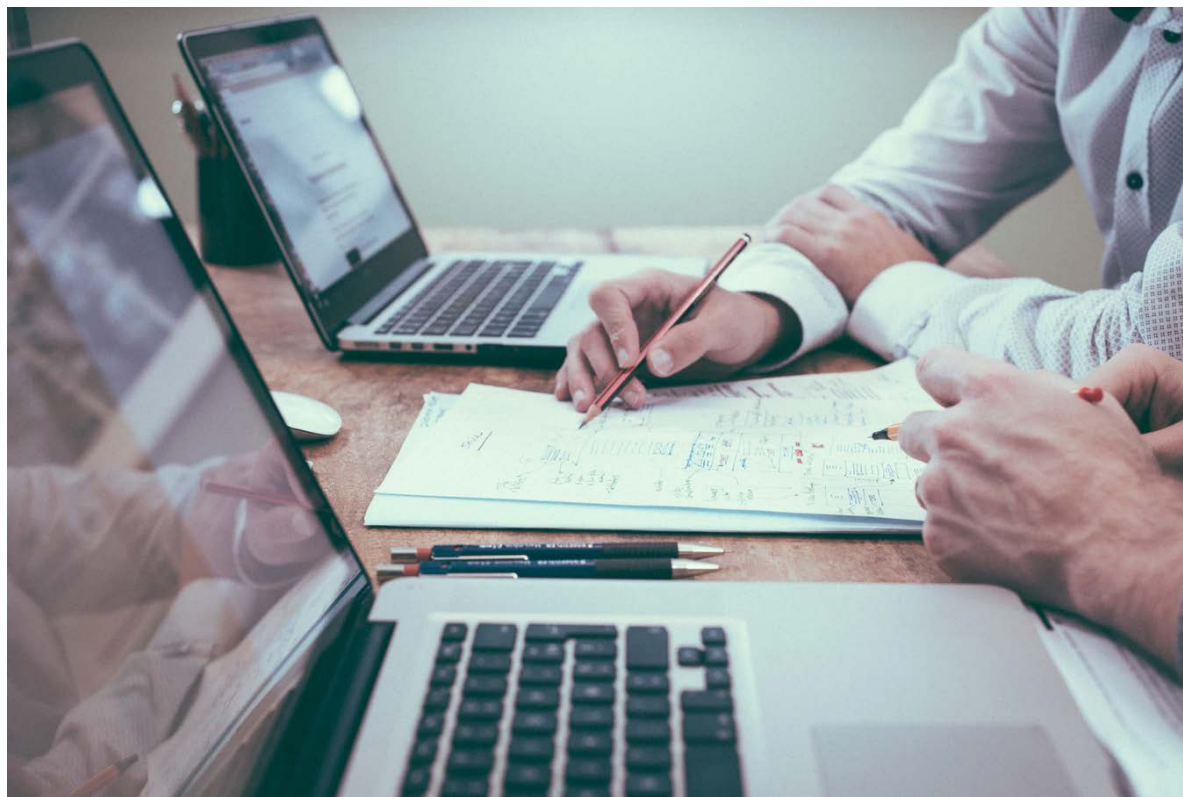

Equipping with Teaching-learning pedagogy;

The development of deepened reflective approaches to teaching philosophy, identity and purpose.

CPD aims to provide:

- *In-house workshops*
- *Online workshops and courses*
- *Faculty discipline/subject-based teaching-focused development opportunities*
- *Short Learning programmes attendance*
- *Staff formal qualification improvement*

CPD is here for you...

Access the [eFundi site](#) for more information

Find us on the [CTL CPD website](#) for easy access

Register on [LibCal](#) to attend CPD opportunities

Registration steps:

1. Visit Coursera and look for courses interested
2. After identification of course register on the CPD Coursera request form
3. You will be invited to join our identified course
4. Complete your Course to open the licence again

ADVANCING QUALITY AND LEADERSHIP IN DIGITAL EDUCATION

The Online Learning Consortium (OLC) is a collaborative community of higher education leaders and innovators, dedicated to advancing quality digital teaching and learning experiences designed to reach and engage the modern learner - anyone, anywhere, anytime. OLC inspires innovation and quality through an extensive set of resources, including best-practice publications, quality benchmarking, leading-edge instruction, community-driven conferences, practitioner-based and empirical research, and expert guidance. The growing OLC community includes faculty members, administrators, trainers, instructional designers, and other learning professionals, as well as educational institutions, professional societies, and corporate enterprises.

WEBINARS

Attend our webinars hosted by online experts covering industry hot topics, best practices, and special interests

MASTERY SERIES

Master the art of online teaching and design an effective learning environment within your field of interest.

CERTIFICATE PROGRAM

Certificate programs dedicated to advancing your online teaching skills.

WORKSHOPS

OLC workshops are a smart and cost effective way to support your continuing professional development. Our immersive programs are expert-developed and designed to improve quality in every facet of online education.

COURSES FOR NWU

The NWU has purchased a license which enables students and staff members to complete the following courses:

- Teaching Online (Token - 49856ede)
- Learning Online (Token - fabbb020)
- Blended Learning (Token - 88b5d1ba)
