GUIDED PROJECT

Learn a job-relevant skill that you can use today in under 2 hours through an interactive experience guided by a subject matter expert. Access everything you need right in your browser and complete your project confidently with step-by-step instructions.

COURSE

Take courses from the world's best instructors and universities. Courses include recorded auto-graded and peer-reviewed assignments, video lectures, and community discussion forums. When you complete a course, you'll be eligible to receive a shareable electronic Course Certificate.

SPECIALIZATION

Enrol in a Specialization to master a specific career skill. You'll complete a series of rigorous courses, tackle hands-on projects, and earn a Specialization Certificate to share with your professional network and potential employers.

PROFESSIONAL CERTIFICATE

Whether you're looking to start a new career or change your current one, Professional Certificates on Coursera help you become job-ready. Learn at your own pace from top companies and universities, apply your new skills to hands-on projects that showcase your expertise to potential employers, and earn a career credential to kickstart your new career.

COURSERA COURSES

Online education provider of Massive Open Online Courses (MOOCs) from top universities and companies around the world. Several licenses are available to our staff at NWU.
