

Welcome to Reading Lab Online

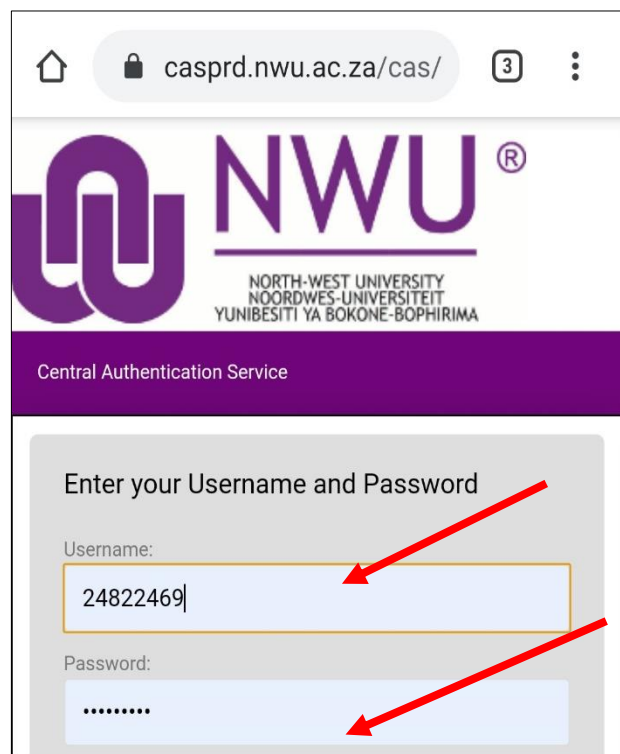

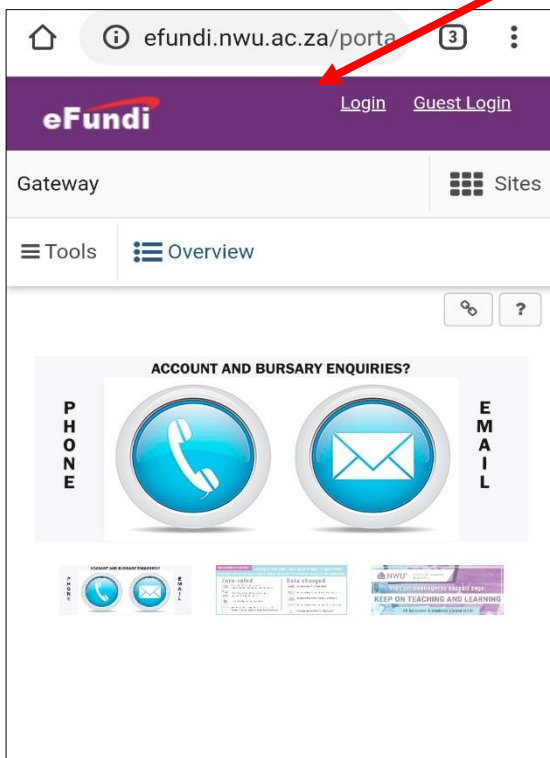

This is a manual which shows you how to continue with the Reading Lab on eFundi using your cellphone.

When using a cellphone

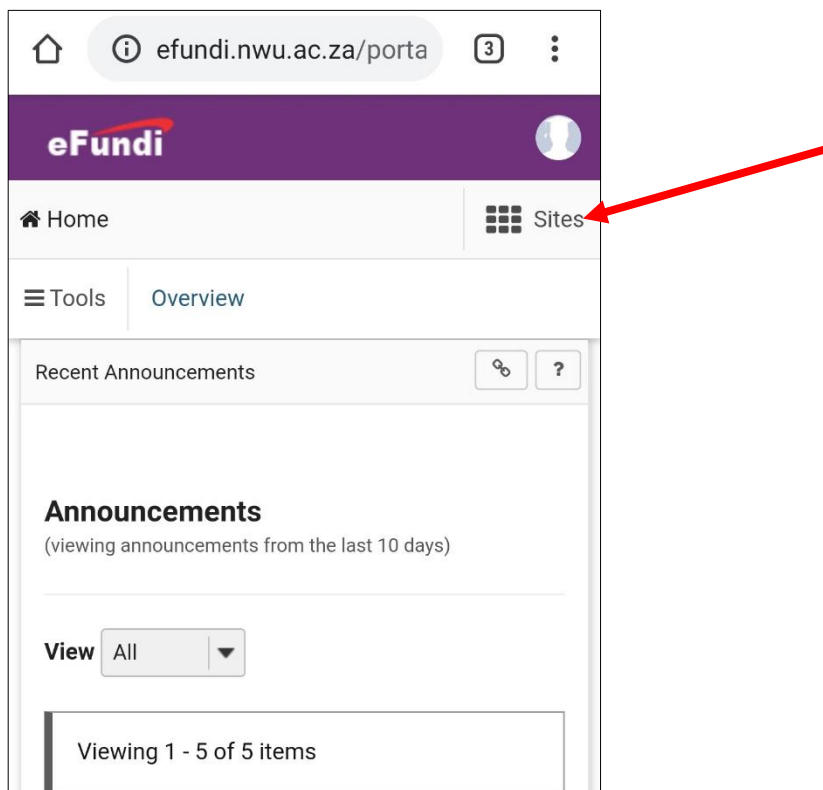

Step 1: Open your internet browser and type in *efundi.nwu.ac.za*.

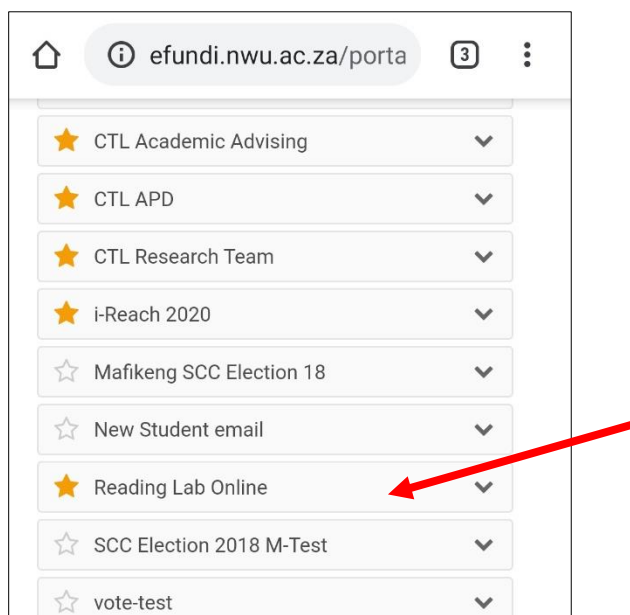

Step 2: Once you reach the landing page, click on *Login* and use your credentials to log in.

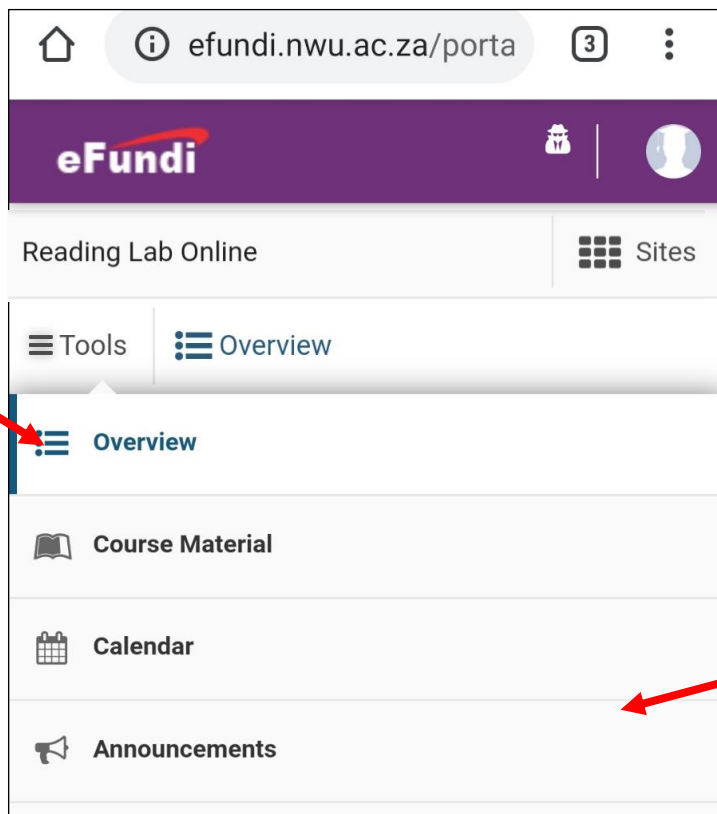

Step 3: Once you have logged in, click on *Sites*.

Step 4: In your list of sites locate: *Reading Lab Online*

Step 5: Click on Tools and select Course material from the drop-down menu

Step 6: Select 'Module Information' button to get more information about the reading component as well as administration. Select the 'How to use this eFundi page' button for more information about navigating the Reading Lab Online Page.
