## Tools & Tool guides

## Advice

MCQs & Short Answer questions

[Test and Quizzes](#)  
(*The question feature of Lessons*)

- The eFundi Tests and quizzes minimises your marking burden and admin load. If you use Google forms, you will have to do the admin manually.
- MCQs can be used to provide quick feedback, but require time to write. Carefully constructed MCQs encourage application of concepts to scenarios.

Demonstration and Verbal presentations

Video & Attachment to Assignments

- Student to video, and submit as attachment to eFundi.

Long answers

[Assignments](#)

- e.g. essays, reports, projects etc
