Once logged into eFundi,.

The screenshot shows the eFundi web interface. The browser address bar shows the URL: `efundi.nwu.ac.za/portal/site/~s86/tool/c26ff6e8-4610`. The page title is "eFundi: Home: Membership". The user is logged in as "Test".

1. Click on Home (indicated by a red box around the Home icon in the top navigation bar)
2. Click on Membership (indicated by a red box around the Membership icon in the left sidebar)
3. Click tab for Joinable (indicated by a red box around the "Joinable Sites" tab in the main content area)
4. Type the site name into the search box, then click on search (indicated by a red box around the search input field and the Search button)

The main content area displays "Joinable Sites" with a search bar containing the text "Type the name". Below the search bar, it says "The list below includes sites that can be joined." and "Viewing 1 - 20 of 284 sites". At the bottom, there is a pagination control showing "show 20 items..." and navigation arrows.

Scroll down to find the name of the site that you should join.
