

Accessing eFundi

What do I need to be able to use eFundi?

- **Access to the Internet** (in the event of a cell phone or router, you will need airtime or data bundles).
- A web browser (this is the software on the computer, laptop, cell phone that is needed to visit the Internet. Please use Mozilla Firefox, Google Chrome or Safari. Do not use Internet Explorer

Can I access eFundi on my smartphone?

Yes, you can although due to the small screen size many of the study material or learning activities will be difficult to view. It is suggested that you access eFundi via a tablet (such as an iPad or Samsung Galaxy tablet), laptop or desktop computer.

How to access eFundi?

- Open the web browser (internet program) (Google, Firefox or Safari)
- In the address field (where you usually see a website address), type **efundi.nwu.ac.za**
- Press the enter button on your keyboard.
- The eFundi login page will appear.

3 Login eFundi

Login to eFundi:

- At the top right-hand corner of the computer screen you will see a button labelled Login – click on it.
- You will now see a screen where you can enter your **Username** and **Password**

Follow these steps:

- 1 In the Username field, type in your NWU student number.
- 2 In the password field, type in your password. Please note that the initial password that the NWU provides to you will be your South African ID number or for international students, passport number, followed by "@Nwu", e.g. 000101 0012082@Nwu . You will have to change this password as soon as possible to something more secure that you will be able to remember.
- 3 Click on the Login button.

The screenshot shows a web browser window titled "CAS - Central Authentication Service" with the URL "https://casprd.nwu...". The page features the NWU logo and the text "Central Authentication Service". Below this, there is a form titled "Enter your Username and Password". The form has two input fields: "Username:" with a placeholder "NWU number (8 digits)" and "Password:". A checkbox labeled "Warn me before logging me into other sites." is present below the password field. A purple "LOGIN" button is at the bottom of the form. Three red circles with white numbers 1, 2, and 3 are overlaid on the image to indicate the steps: 1 points to the Username field, 2 points to the Password field, and 3 points to the LOGIN button.

4 Study

1

Locate your module site

Once successfully logged in you will see a screen with three areas (see image below):

At the top you will see a purple area with a button for each of the modules that you are registered for. If you click on a specific module button, you will be directed to the site for that specific module.

On the left-hand side of the screen you will see a grey area with a menu of all the tools that your lecturer provides for you. This menu can differ from module site to module site – depending on the tools that the lecturers make available.

A larger white area next to the grey menu – this is the area where the important information is displayed.

5 Help

Need more help?
