NWU

Password

You may change your NWU password via the IHome page (see picture below)

IT Service Catalogue

Change your NWU password

TIP:

Please do not use GroupWise or Novell to change your password, only the online method of changing passwords is supported.

You have to adhere to all the rules, to view them please follow the link

<https://password.nwu.ac.za>

password format:
Abcdef@1

TIP: USE OF PHRASES
RECOMMENDED

Password Change / Wagwoord Verandering

- Please read the section below for more information regarding the use of this website.
- Sien asseblief die paragraaf onderaan vir meer inligting rakende die gebruik van hierdie webwerf.

NWU Number / NWU Nommer
Old Password / Ou Wagwoord
New Password / Nuwe Wagwoord
Confirm Password / Bevestig Wagwoord

Verander / Change

Fill in your University Number and old password and then fill in your new password twice.

Vul jou Universiteitsnommer en ou wagwoord in. Vul dan jou nuwe wagwoord in en herhaal die wagwoord.

Password Rules

Please ensure that all the fields are completed (see picture below).

The NWU network password policy has been changed. All new staff and students use the following format:

idnumber@Nwu or

passportnumber@Nwu

Your password will be the same in all systems.

The last 3 passwords cannot be used again.

The minimum length of the password is 8 characters.

Full list available at:

EMAIL

Default mailbox size is 1Gb. Log in with NWU credentials. GroupWise online servers:

- ngwnameserver.nwu.ac.za
- ngwnameserver2.nwu.ac.za
- Port : 1677

NOTE: FOR MOBILE SETUP, CONTACT IT SERVICE DESK.

Archive handling: We advise users to create archive directories by year and keep only the most relevant archive on a network drive.

TIP:

DO NOT CREATE ONE HUGE ARCHIVE; IT WILL INCREASE THE RISK OF DATA LOSS AND CORRUPTION.
