CHAT TO YOUR RESIDENCES

HOW TO ACTIVATE YOUR IT SERVICES

FOLLOW THE STEPS

After registration, you will be able to connect to NWUWIFI by using your student number and network password from your mobile device;

- Your username & password will be the same on all NWU systems
- Password will be ID or Passportnumber@Nwu
- Example of password: 234567891234@Nwu

WIFI

HOW TO ACTIVATE YOUR FREE WIFI

- You MUST be a registered student for your internet to be active.
- Remove all other antivirus software. ONLY use Windows Defender.

TO CONNECT YOUR LAPTOP, VISIT:

http://services.nwu.ac.za/sites/services.nwu.ac.za/files/files/information-technology/IT_Home_2019/Wi-Fi_First_time_users/FirstTimeNWUWIFIusers3.pdf

NOTE: Not all blocks in Faranani have WIFI, only block A, D, E and F are connected to WIFI

**FOLLOW
THE
STEPS**
