

BRIEFING MEETING FOR NRF CALL FOR PROPOSALS FOR 2022/23

Freestanding, Innovation and Scarce Skills Postdoctoral Fellowships

On 15 March 2022, the National Research Foundation (NRF) announced the Call for Proposals for 2022/23, including the call for Freestanding, Innovation and Scarce Skills Postdoctoral Fellowships for the 2023 academic year. All Framework and Funding and Application Guide documents as well as the General Application Guide, are available on the NRF website at: <https://www.nrf.ac.za/funding/>.

Do note that the NRF has introduced a new NRF integrated Grants Management platform, **NRF Connect**. Applications must be submitted electronically on the *NRF Connect* platform at <https://nrfconnect.nrf.ac.za>.

The NRF will be hosting a virtual briefing meeting on the Zoom platform, focusing on the application requirements and, on the application and review process for the funding opportunity. Questions may be posed in real-time during the meeting using the chat box on the Zoom platform. The target audience for the briefing meeting are:

- Research Directors;
- Institutional Designated Authorities (DAs); and
- Potential applicants - final year doctoral students and recent doctoral graduates.

The information meeting will take place on 6 April 2022 from 10:00 to 12:00

Kindly follow the link below to join the virtual briefing:
