I, (name in full),

Identity number

acknowledge that I owe **NORTH-WEST UNIVERSITY** (name of institution) an amount of

(total amount in words and figures) as at 31 December 2020, as per the attached university student fee account, being made up of various fees charged for my studies at the institution.

I am a registered university student who qualified for NSFAS funding but was either partially funded or not funded at all in prior years. I understand that the Department of Higher Education and Training will be undertaking a verification check on these amounts owed.

Category A: The Department will pay off the debt owed for all legitimate tuition fees, university managed accommodation fees and allowances, that supported me in my studies over the period I have been enrolled at the institution and was a NSFAS beneficiary or NSFAS qualifying funded student.

Category B: I will remain liable to pay any amounts that were not part of my legitimate fees for tuition or accommodation, or allowances while a NSFAS beneficiary, as these amounts would not have been covered by NSFAS funding in terms of their criteria.

I will remain liable for the outstanding balance on my student account for previous years in which I was not approved for funding by NSFAS.

I hereby understand that I will not be allowed to participate in the graduation ceremonies on completion of my studies, and will not receive a graduation certificate if the above balances are not settled in full 72 hours prior to the ceremony.
