

PAPERCUT ROLL OUT

POTCH CAMPUS

Rollout continues

Potchefstroom campus is continuing with the rollout process of all printers. If you are uncertain about the printer's PaperCut ability, we advise you to consider and plan ahead. If your printer is not papercut ready, you should consider immediate replacement or contact x992700 for more information.

AS REPORTED IN 2015 AND 2019

- ✓ PaperCut is a print management system that saves paper and reduces costs by enabling users to release their print jobs. At the NWU, this is done by swiping the user's NWU card.
- ✓ 100+ Printers are already using PaperCut on Potchefstroom Campus.
- ✓ Staff can release their print jobs by swiping their NWU card. Photocopying is possible on any of the devices.

Replacement & Compatibility

It is, therefore, essential that you follow up with your local Service Desk to confirm whether your printer is PaperCut ready. If your printer is not listed, it may need to be replaced.
