

## Information Technology

### AnyDesk – User Manual

#### **Step 1: Download Software**

Go to our ITHOME page (<http://services.nwu.ac.za/ithome>) and/or click on the button.

#### **Step 2: Open program (or run file)**

a) The file will most likely be under your “Downloads” directory and show as below:

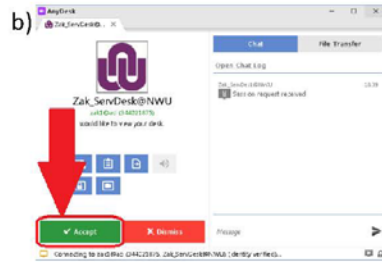

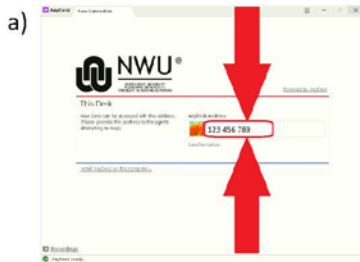

b) Next you will have to accept the disclaimer after reading it:

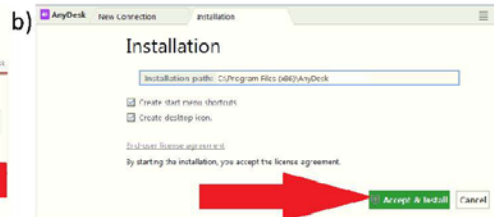

c) Lastly ensure AnyDesk has the green “ready” status:

#### **Step 3: Provide “This Desk” ID to connect and accept**

#### **Step 4: Install the program (Optional)**

#### **Step 5: Icons and location (double click to open)**

a) On the desktop:

b) Righthand bottom corner (near date and time):
