Overall lecturer evaluation

Percentage per question	
B1: The lecturer(s) explained concepts in an understandable way.	83.93
B2: The lecturer(s) gave clear instructions on where to access my study material and how to complete my assignments.	87.50
B3: The lecturer(s) provided a platform where students could ask questions and communicate with other students and the lecturer.	89.29
B4: I feel comfortable approaching the lecturer(s) with questions.	83.93
B5: The lecturer(s) was/were available for online consultation/scheduled meetings.	87.50
B6: The lecturer(s) was/were generally present in the modules through announcements, emails and feedback.	89.29
B7: The lecturer(s) used eFundi as the main/central platform to share resources, communicate with students, collaborate, and upload/create assessment.	92.86
B8: The lecturer(s) used a variety of teaching strategies (e.g., video lectures, online group work, online discussions, project-based learning) to support my learning.	91.07
B9: The lecturer(s) used a variety of resources (e.g., narrated PowerPoint presentations, textbooks, videos, podcasts) to support my learning.	87.50
B10: The lecturer(s) provided online learning activities that encouraged me to engage with the module content and/or other students.	89.29
B11: I am satisfied with the support and guidance I receive from the lecturer(s) in this module.	89.29
C1: The lecturer(s) used a variety of assessment strategies (e.g., online quizzes, tests, assignments, portfolios, case studies, videos) to assess my learning.	83.93
C2: The lecturer provided enough ongoing opportunities (e.g., eFundi tests, activities) to evaluate my learning through regular assessments.	89.29
C3: The continuous assessments of this module gave a true reflection of my knowledge.	83.93
C4: The assessments of this module challenged me to reflect critically on the material that was presented.	83.93
C5: The lecturer(s) provided feedback on assignments and assessments that improved my understanding of the module.	87.50
C6: I feel that there are too many assessments that I have to do in this module.*	69.64
C7: I feel that it is easy for students to cheat in the online assessments of this module.*	53.57
